Welcome to Ravello.

Perth's finest bespoke spray tan studio, to make you look and feel your most confident self.

Private. Effortless. Curated for you.

Inspired by the sun-kissed beauty of the Amalfi Coast, Ravello Beauty Clinic brings a natural, European glow to you, where you will walk out feeling your most confident self.

Effortless. Private. Always available.

Welcome to StudioSolare- Sydney's Inner West's first fully automated, membership-based studio for spray tanning and red-light therapy. Located in Five Dock, enjoy luxury, contactless spray tans and full-body red-light therapy, with app access 24/7 for your convenience.

At Ravello, we're more than just a spray tan. We use the finest solutions on the market designed to support your skin's health, because when the skin is looked after, a tan is always better.

At Studio Solare, we're more than just a glow. Our technology is designed to support your skin's health from the inside out.

A Healthier *Glow*

Our automated spray booth is designed to give you a flawless, streak-free tan using premium organic ingredients. Free from harsh chemicals, our formula nourishes your skin while delivering a natural, sun-kissed glow.

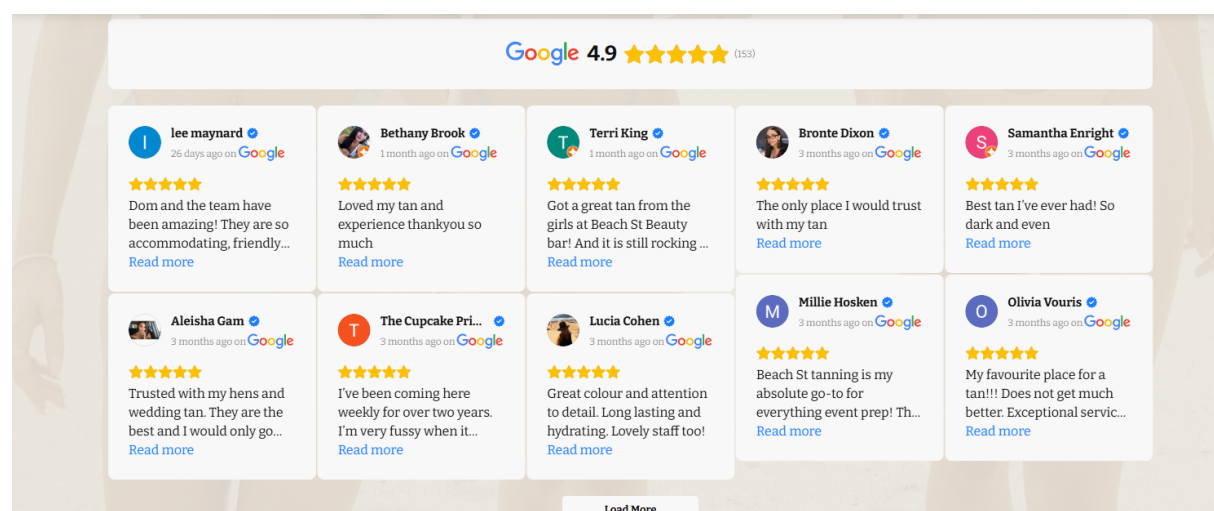

It's beauty that's better for your skin- safe, gentle, and always perfectly even.

We believe that a truly exceptional tan starts with skin-first formulations, and that what's not in a solution is just as important as what is. This leaves all our clients with natural, streak-free tans that actually feel and smell good, not just look good.

We deliver beautiful, longer-lasting results, while supporting skin hydration and comfort throughout the tan's life cycle.
